**HUMAN TRAFFICKING, ABDUCTION, SECURITIES FRAUD, FINANCIAL CRIMES,
AND RACISM & DISCRIMINATION AGAINST WOMEN IN THE STATE OF
MARYLAND AND COMMONWEALTH OF VIRGINIA
June 9th, 2020**

The State of Maryland and Commonwealth of Virginia have a long history of abduction and human trafficking that dates back to the 16th century whereby they were one of the last states to free the “origine” –the original people of the land, who were abducted and forced into slavery. Abduction and human trafficking of the people didn’t end in the 16th century, rather, continued through the emancipation proclamation and into the 21st century with the inclusion of financial crimes,

The commencement of the unlawful, unethical and unconstitutional birth certificate of the resident “securities company” issued to each “origine” brought a whole new dynamic to the abduction and human trafficking in the states. One, each “origine” lacked full disclosure about the birth certificate (securities company) and the contract attached prior to signing it resulting to every “origine” of the land giving up his or her inalienable rights. Second, the states could now coerce each “origine” into further contracts whereby the people would unwittingly agree to the states charging the securities company for various unconstitutional fines,

Over the decades the State of Maryland and Commonwealth of Virginia have generated billions of dollars from charging the securities company of the people, stealing it’s equity and claiming the credit of the abandoned estates. What happens when the people wake up realizing the fraud and treason that has been committed towards them via the States at the hands of it’s agents and employees?

Well, I have first-hand experience with the result of claiming my estate and setting the record straight about who I am, a living, breathing woman in the flesh and blood, and one of the original people of this land. After putting time and energy into processing the necessary paperwork at the courts in Philadelphia, Pennsylvania, receiving a court order from a judge for the corporation, and recording my proclamation and supporting documents at the court recorders department and United States Library of Congress, I am still a victim of abduction and human trafficking, resulting to abduction and imprisonment for a total of (99) days with no convictions and no trials.

Beginning November 19th, 2019, I spent (50) days in Loudoun County, Virginia detention center under a fictitious name “NAJA, QUEEN”, created by Sheriff Deputies, DORIAN LAMBERT and ALEXANDER HELLER et al charging “NAJA TALIBAH ZAHIR” herein after referred to as, “my

securities company”, and attempting to extort millions of dollars in credit under the guise of three felony charges and after the 50th day, the case was dropped by the Commonwealth Attorney on January 8th 2020 and I was then trafficked across state lines into the State of Maryland detention center in Annapolis, Maryland facing a duplicate of the charges against my securities company from Virginia, this time the State of Maryland agents added two more felony charges for a total of (5) unlawful felony charges against my securities company under the guise of a fictitious name “NAJA, QUEEN” created by Anne Arundel county, JAME MOUNTCASTLE, as detective. This time the county went as far as taking the private Social Security number from my securities company and placed it on the public complaint of the fictitious name created for this case.

I as a living women would remain in Anne Arundel county, Maryland for (8) days before being bonded out as my only option for my body being released from detainment of the criminals, upon release I was immediately trafficked to Prince George’s County, Maryland for additional unlawful charges against my securities company where I remained in the Prince George’s county detention center until a judge granted my body being released on February 28th, 2020, after he commented to the public defender who stood to my left, “I think she’s learned her lesson”. However, I wasn’t released on the 28th as the judge ordered. The Anne Arundel County police department and its Detective JAMES MOUNTCASTLE conspired with Prince George’s County Detention Center agents and employees, within hours of the judge signing my release, more false and unlawful charges was issued by Anne Arundel County commissioner initiated by Detective JAMES MOUNTCASTLE and another false warrant was placed against my securities company for my body to return to Anne Arundel County. However, I was never extradited, and a day later, the charges and warrant mysteriously disappeared from the records and I was released from Prince George’s County Detention center around 8pm February 29, 2020 marking the end of my abduction.

The statements made in this writing reflects the facts that have occurred in the Commonwealth of Virginia and the State of Maryland and have not been refuted. Though, the cases in Virginia have been dropped, the case in the State of Maryland remain open and the criminals working on behalf of the state are responsible for human trafficking, conspiracy, abduction of a living being, coercion, extortion, securities fraud, treason and other financial crimes against the securities company.

Both the Commonwealth of Virginia and State of Maryland, it’s agents, representatives and assigns, have existing debt obligations of quadrillions in debt from liens for the crimes committed against the “origine” people of the land without refute. I’m calling for these criminals to be arrested and brought to justice. The states have violated the 48 Laws of Maat, the royal edicts for engagement and accountability, the constitution for my tribal nation and the united States Constitution.

The county courts must cease and desist conducting unlawful business on the land *indefinitely*, and all operations must be turned over to an honorable constitutional article 3 court. The people must be protected against the criminal actions from the states and their employees. All of the corporations and security companies are collateral and shall be foreclosed and liquidated to satisfy the debt obligations of the states as identified in the security agreements attached to the liens. All persons identified below who participated in the criminal activity outlined in this writing and all unknown persons must be found and taken into the custody of the federal jurisdiction immediately and held without bond to prevent further injury to the people. These persons pose a danger to society resulting to the demise of the family structure through false imprisonment of the people, treason and financial crimes against millions of entities.

I have been discriminated against, demoralized, discredited and dehumanized for being an "origine", and a woman. I have been labeled as a "black" person- who has no standing in law, and sexually assaulted, stripped naked, preyed on and molested by police officers and correctional officers several times. The persons listed below inclusive of other unknown names of persons have injured my securities company and I the living woman- one of the children of God- a Hebrew, in complete violation of God's Law, and the 42 Laws of Ma'at.

I have been subjected to the inhuman living conditions at the Prince Georges county Maryland Detention Center, unit H-1, whereby, I and other women were housed in a facility with mold all along the ceilings and flooring, rust, corrosion in each cell, and fecal matter embedded in the carpeting.

The persons included but not limited to persons doing business as police officers, police booking intake employees, commissioners, magistrates, judges, clerks of court, county accounting and revenue department employees, corrections department directors and staff, land records employees. A congressional hearing on the matter is demanded.
